ENTRY FORM

AWARD & RECOGNITION

All entries received for competition and judging in the various Entry Categories will be scrutinised and evaluated by a qualified Jury to be appointed by FIPSA.

The evaluation of the entries will be done objectively and weighted criterion will be applied by the Jury to arrive at a list of FIPSA winners under the various Award Categories.

- ◆ FIPSA Trophies, custom designed by NID, will be awarded to winners in all Entry Categories.
- ◆ For all other winners in the Runner-up categories, beautifully designed Certificates of Recognition will be presented.
- ◆ Photographs and details of all packaging products entered for competition will be compiled in a book and video format for mass circulation and be featured on the FIPSA website as well.
- ◆ A glittering Awards Ceremony will be organised for the announcement of the Awards and their presentation by an invited dignitary.
- ◆ Wide media coverage of the event will be organised.

ELIGIBILITY

- ◆ Any packaged product produced and sold in India or abroad, by retail or online, since January 2020 is eligible for this competition.
- ◆ All entries must be accompanied by the required Entry Form, product samples and specified Entry Fee to be eligible for the judging process.

ENTRY PROCEDURE & ENTRY FORM

Packaging to be submitted for competition and selection for the FIPSA trophy must complete the following procedure:

1. Select one filled sample and two empty samples of the product to be submitted, after ensuring there are no quality defects.
2. Complete the Entry Form, in all respects, after carefully marking the Entry Category it is being entered for, as well as the Award Category for which it is being offered.
3. A package could be offered for competition in more than one Award Category, but a separate form and separate Entry Fee must be submitted for the alternate category entry.
4. The completed Entry Form must be accompanied by product photographs and a citation upto 300 words, explaining criterion under which the packaging has been offered for competition as Responsible Packaging. Additional information and perspectives about the market response to the packaging will help to build the case in favour of the packaging.
5. Each entry for FIPSA judging must be accompanied with the entry fee.
